Dated-05-03-2026

**Advertisement No. NIMR/PROJ/INTR/LFA/174/3317 dated 05-03-2026**

Sub – “Developing an Indigenous Lateral Flow Assay (LFA) for detecting Plasmodium falciparum using Exported Protein-1 as a diagnostic biomarker” परियोजना हेतु विभिन्न परियोजना पदों की आवश्यकता - संबंध में।  
Requirement of Project Positions for the Project entitled “Developing an Indigenous Lateral Flow Assay (LFA) for detecting Plasmodium falciparum using Exported Protein-1 as a diagnostic biomarker” – reg.

Sir,

उपरोक्त विषयक परियोजना के अंतर्गत निम्नलिखित पदों को भरे जाने की आवश्यकता है। पदों का विवरण, श्रेणी, आवश्यक योग्यता तथा वांछनीय योग्यता निम्नानुसार है:

This is to inform you that the following project positions are required to be filled under the above-mentioned project. The details of the positions, including category-wise distribution, essential qualifications, and desirable qualifications, are given below:

S. No	Name of Post	Place of Posting	Remuneration	Basic	HRA	EPF (13%)
1.	PRS – III	Delhi (1 post)	78000 + HRA + other charges	78000	23400	1950
2.	PRS – I	Delhi (2 posts)	56000 + HRA + other charges	56000	16800	1950
3.	PTS - III	Delhi (3 posts)	28000 + HRA + other charges	28000	8400	1950
Positions	Category	Minimum Essential Qualifications		Desirable Qualification		
Project Research Scientist-III (PRS-III) (Non-Medical)	UR-01	1. Post graduate Degree, including the integrated PG degree, with five years' Post qualifications experience or PhD + two years post qualification experience. In relevant Field  2. For Engineering- Four Years Graduate degree with five years' experience post qualifications or PG degree with three years' post qualification experience or PhD in relevant field  Relevant Field includes field related to Life Sciences and Allied subjects.  Age Limit – 45 years		5 Years of Post PhD research experience in the areas of protein biochemistry and diagnostics demonstrated by lead author contribution in international peer reviewed publications/ patents.  2. Experience in drafting submitting competitive grant proposals and prior experience of handling nationals and internationals research projects.  3. Proven track record of leadership in the form of corresponding author publications and conception of novel research ideas.		
Project Research Scientist- I (Non-Medical)  (Note- The project is for two years with eligibility for promotions of PRS-I to PRS-II after 1 year of performance evaluations)	UR-01, SC-01	1. First Class Post Graduate Degree, including the integrated PG degrees. 2. For Engineering-First Class Graduate Degree of Four Years.  Relevant Field includes field related to Life Sciences and Allied subjects.  Age Limit – 35 years		Research Experience in the areas of protein biochemistry, Genomics, Cell biology demonstrated by lead author publications, handson experience in techniques such as ELISA, Western Blot, Immunofluorescence microscopy cell culture and NGS analysis.		

Project Technical Support-III (PTS-III)	EWS-01, OBC-02,	<p>1.Three Years Graduate In relevant subject/ Field + three Year' experience or PG in relevant subject/ field.</p> <p>Relevant Field includes field related to Life Sciences and Allied subjects.</p> <p>Age Limit – 35 years</p>	<p>Post graduate with research experience in the areas of protein biochemistry, Cell culture and entomology.</p> <p>Hands-on Experience in handling Cell Culture , Mosquitoes and general laboratory techniques- SDS-PAGE, Western Blot, Molecular Biology etc.</p>
