

Brief Profile

Name	Dr VAISHALI VERMA
Current Designation	Scientist 'C'
Research Discipline	Vector Control and Insecticide Resistance
Department / Division	Vector Biology and Control
Date of joining the current post	26/10/2023
Date of joining ICMR	01/02/2008
Official E-mail ID	vaishali.verma.nimr@gov.in
Educational Qualification	M.Sc., Ph.D. (Zoology)
Research experience (in years):	18 years
Research Interest/Thrust Areas	
Phase I Testing and Evaluation of Public Health Pesticides, Vector Control, Insecticide Resistance Management	
Number of projects handled as:	
Principal Investigator - 05	
Co-Principal Investigator - 03	
Co-investigator - 04	
Number of doctorate / post-doc students mentored	
As Guide - 0	
As Co-guide - 2	
List of significant publications (Please give the details of the publications in APA format)	
List Attached as Annexure I	
Achievements/Awards/Additional Information	
-	

-

Signature

ANNEXURE 1

Dr. Vaishali Verma

PUBLICATIONS: 24 (TOTAL CITATIONS - 300)

WHO TECHNICAL REPORT – 2

SOP – 2

BOOK CHAPTER - 1

PAPERS PUBLISHED - 18

NATIONAL PROTOCOL- 1

Contributed in “Common Protocol for Uniform Evaluation of Public Health Pesticides for Use in Vector Control, Third Edition. Indian Council of Medical Research; 2023, Licence: CC BY-NC-SA 3.0”

WHO TECHNICAL REPORT - 2

1. Determining discriminating concentrations of insecticides for monitoring resistance in mosquitoes report of a multi-centre laboratory study” - A Multicentre study, March 2022. Study Investigator: Kamaraju Raghavendra, Vaishali Verma, NIMR Delhi.
<https://apps.who.int/iris/bitstream/handle/10665/352616/9789240045200-eng.pdf>.
2. Determining discriminating concentrations of insecticides for monitoring resistance in sand flies: report of a multi-centre laboratory study and WHO expert consultations. Geneva: World Health Organization; 2022. Licence: CC BY-NC-SA 3.0 IGO. Investigators: India site - Dr Manju Rahi, Dr Kamaraju Raghavendra, Dr Vaishali Verma. <https://www.who.int/publications/i/item/9789240064416>

WHO Standard Operating Procedures- 2

1. Standard operating procedure for testing the susceptibility of adult sand flies to insecticides in WHO tube tests. Geneva: World Health Organization; 2023. Licence: CC BY-NC-SA 3.0 IGO.
2. Standard operating procedure for testing the susceptibility of adult sand flies to insecticides in WHO bottle bioassays. Geneva: World Health Organization; 2023. Licence: CC BY-NC-SA 3.0 IGO.

Contribution in article

1. “Raghavendra K., 2015. Malaria samvahak machharon mein kitnashakon ke virudh pratirodhakta vikas ki chunotiyen. Malaria Patrika (Hindi), Vol 23 (2): 5-12” Published by NIMR (Institutional Journal), Delhi (Hindi).
